Description of Type Design Change:

Manufacture and Installation of Exterior Placards, Labels and Signs

**Installation/Operating Data,
Required Equipment and Limitations:**

The Manufacture and Installation of Exterior Placards, Labels and Signs is to be performed, installed, and maintained in accordance with Libellule Monde Inc. following documents:

- Master Data List Report No. MDL-PA-17-025, Revision M, dated August 2, 2022 *;
- Installation Manual Report No. IM-PA-17-025, Revision C, dated August 2, 2022 *;
- Instructions for Continuing Airworthiness ICA-PA-17-025, Revision C, dated August 2, 2022 *; and,
- Eligibility List Report No. EL-PA-17-025, Revision B dated August 2, 2022 *.

* Or later Transport Canada approved/accepted revisions.

Certification basis for the design change is CAWM Chapter 25 at Change 25-21 which is equivalent to FAR 25 Amdt. 25-137 plus Amdt. 25-141.

(See Continuation Sheets)

Conditions: This approval is only applicable to the type/model of aeronautical product specified therein. Prior to incorporating this modification, the installer shall establish that the interrelationship between this change and any other modification(s) incorporated **will not** adversely affect the airworthiness of the modified product.
